* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on 12/15/2016. As of 12/15/2017, two full years of data for this program will be available.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

STUDENT'S RIGHT TO CANCEL

STUDENT'S RIGHT TO CANCEL

You have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

You have the right to withdraw from this program of instruction at any time, and receive a refund of tuition if you completed 60 percent or less of the period of attendance. If you withdraw from the program of instruction after the expiration date of the time for canceling this agreement, you are obligated to pay only for educational services rendered, plus a non-refundable application fee of \$75.00.

If you withdraw prior to the Program Start Date, then you will receive 100% refund of the tuition fee. For the textbook purchased, it is only refunded when the student withdraws prior to the Program Start Date, if unused.

The refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund. According to California Code of Regulations, a pro rata refund pursuant to section 94919(c) or 94920(d) or 94927 of the Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student: (1) The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal. For instance, the daily charge of the program tuition fee is \$42.71 (\$299.00 a week times 10 weeks = \$2990.00

divided by 70 days). If a student has paid \$2990.00 for 10 weeks (70 days), and he/she only attended classes for one week, total refund will be \$2691.00, which is calculated from \$2990.00 (the total amount the student has paid)

\$299.00 (\$42.71 daily charge, multiply by 7 days, rounded up to the nearest dollar).

Prorated refunds will be calculated on a daily basis.

Explore Beyond will pay or credit refunds within 45 days of a student's cancellation or withdrawal. Explore Beyond requests that students sign their names when they pick up their refund check at school, or email the school when they receive the refund check by mail, or get refunded by credit card. It is your responsibility to speak directly to the Institution Director in order to withdraw or cancel and to receive the correct refund.

If you have received federal student financial aid funds, you are entitled to a refund of moneys not paid from federal student financial aid program funds.

All requests must be made in writing.
